## **New Standard Warranty Coverage for all new 2010 Crestline Ambulances**

### **Conversion Warranty - 5 years or 150,000 km./95,000 miles**

Crestline warrants Crestline manufactured conversion products to be free from defects in workmanship and materials for a period of 5 years or 150,000 km./95,000 miles, whichever occurs first.

### **Supplier Manufactured Components Warranty - 3 years or 90,000 km./55,000 miles**

Crestline warrants supplier manufactured components to be free from defects in workmanship and materials for a period of 3 years or 90,000 km./55,000 miles, whichever occurs first. This warranty includes but is not limited to emergency lighting and other electrical components, graphics and liquid paint applications. Certain emergency lighting LED and strobe components may have additional warranties beyond Crestline's conversion coverage. Please contact the component manufacturer for details.

### **Structural Body Warranty - Lifetime unlimited mileage**

Crestline warrants that the modular aluminum body will be structurally sound and free of all structural defects in workmanship and materials maintaining its structural integrity for the life of the product in its original intended use. This warranty is limited to the original owner and applies only while the body remains on the original chassis.

### **CrestCoat Paint Warranty - Lifetime unlimited mileage**

Crestline warrants that the CrestCoat powder paint finish on the modular aluminum body will be free of all defects in workmanship and materials for the life of the product. This warranty is limited to the original owner and applies only while the body remains on the original chassis.
